MOBILE UNITS FOR HIRE

“Targets To Go” from Retriever Sporting Clays, Inc. provides the best mobile demo units offered in the United States! Our NSCA certified shooting instructors and staff will come out to your location and set-up a complete sporting clays course for your corporate outing, fund raiser, private party, or add to your existing gun club’s equipment.

Retriever Sporting Clays’ fully mobile, battery operated and automatic sporting clays units can provide a full range of clay target games including: Sporting Clays, 5-Stand, Annie Oakley, Trap, Skeet, Flushes, Flurries, Crazie Quail, and Make-A-Break.

Chris Ryan from Fort Worth, Texas started Retriever Sporting Clays, Inc. and has been in business since 1986. We were the first to offer a mobile sporting clays unit in the United States. Mr. Ryan was also instrumental in setting up one of the first sporting clays clubs in the country.

Since 1986, we have seen the tremendous growth of a great shooting sport, including the founding of the National Sporting Clays Association (NSCA) in 1989.

Our goal is to provide a fun, safe, and highly recreational shooting experience for all ages.

CLINICS AND LESSONS

Retriever Sporting Clays, Inc. is also proud to offer “TOP GUN SHOOTING” clinics and private shooting instruction, taught by certified NSCA instructors. This is a great opportunity to teach not only the seasoned shooter, but also an avenue to teach your children gun safety and proper shooting/hunting etiquette. In recent years, women only clinics have become very popular.
